

Life Science Meeting Mainz_1. April 2019

8:30-9:00 Mounting posters with coffee

9:00-9:10 Welcome

SESSION 1 MOLECULAR MECHANISMS IN MEMBRANES

9:10-9:35 Lena Ahlswede, RG Schneider, Institute of Biochemistry

9:35-10:00 Ann-Kathrin Volz, RG May-Simera, Institute of Molecular Physiology

10:00-10:25 Kristin Hackmer, RG Schneider, Institute of Biochemistry

Coffee break and posters

SESSION 2 STRUCTURE AND DYNAMICS OF PROTEINS

10:45-11:10 Arne Börgel, RG Wolf, Institute of Molecular Biology

11:10-11:35 Kerstin Viet, RG Hellmich, Institute of Biochemistry

11:35-11:50 Dr. Markus Hiller, RG Benatti, Max Planck Institute for Biophysical Chemistry, Göttingen

Lunch break and posters

13:25-13:40 Society for Biochemistry and Molecular Biology(GBM) talk

SESSION 3 BIOTECHNOLOGICAL APPLICATIONS

13:40-14:05 Carina Osterhof, RG Hankeln, Institute of Molecular Genetics

14:05-14:30 Dr. Annika Eisenschmidt, RG Reisner, Department of Chemistry, University of Cambridge, UK

Coffee break and posters

SESSION 4 DRUG DEVELOPMENT

15:00-15:25 Patrick Johé, RG Schirmeister, Institute of Pharmacy

15:25-15:50 Fabian Schröer, RG Schmidt, Institute of Organic and Macromolecular Chemistry, University of Düsseldorf

15:50-16:15 Clemens Dialer, RG Carell, Institute of Chemistry and Pharmacy, University of Munich

Coffee break and posters

16:45-17:45 Keynote lecture
Group leader Dr. Cédric Orelle, Institute of Biology and Chemistry of proteins, CNRS, Lyon, France

17:45 Final remarks

„Get-together“ with Barbecue
